

Snowman Directions

1. Make a blue background.
2. Make three white circles a big circle then a smaller circle. Then make a even smaller circle.
3. Then go to the pencil and make 5 black dots for mouth and then make 2 black dots for eyes.
4. Next make an orange triangle for the nose.
5. Then its your choice to make a black hat or not and color it in. Make black branches for arms and 4 black buttons on the belly.
6. Then you could make 11 white snowflakes, not that big of snowflakes.
7. You got yourself a snowman.
